Every September, people all over the nation recognize Hunger Action Month, a time to take a stand against hunger in America. By raising awareness about hunger, donating food, and supporting local food pantries like St. Francis House, you can help fight hunger and make sure that every person has access to the food they need.

1 in 8 Alaskans struggle with hunger (about 100,000 people).

16% of kids in Alaska live in homes that may not have enough food.

2/3 of SNAP receivers are in families with kids.
